RETAIL ACCESS OPTIMIZATION INITIATIVE, 2011

Docket No. N2011-1

**MOTION OF UNITED STATES POSTAL SERVICE
TO DESIGNATE PUBLIC REPRESENTATIVE INTERROGATORY RESPONSE
INTO THE EVIDENTIARY RECORD**

Pursuant to Chairman Goldway's directive at the hearing on October 28, 2011 (Tr. 5/1732), the United States Postal Service moves that the revised response of Public Representative witness Klingenberg to interrogatory USPS/PR-T2-6, filed on October 25, 2011, be made a part of the evidentiary record and placed in an appropriate volume of the transcript.

Since the response, as filed, failed to conform to customary standards for identification, undersigned counsel modified the response by adding appropriate indicia and asked counsel for the Public Representative whether she had any objection to the result; Tracy Ferguson had no objections to the form of the response, attached hereto.

Respectfully submitted,

UNITED STATES POSTAL SERVICE

By its attorneys:

**REVISED RESPONSE OF PUBLIC REPRESENTATIVE WITNESS KLINGENBERG
TO INTERROGATORY OF THE UNITED STATES POSTAL SERVICE**

USPS/PR-T2-6. Graphic 1, a map of the United States with all Postal Service offices, is overtly misleading because the RAOI offices are dark solid red with black outline and the open offices are very light blue with blue outline; one consequence is that the reds are always on top of the blues. Please produce a new variant of Graphic 1 that uses, and shows in its legend, three colors for the two underlying data types plus the intersection.
